This product qualifies for inclusion within the Local Environment Risk Assessment for Pesticides (LERAP) scheme. Before each spraying operation from a horizontal boom sprayer, either a LERAP must be carried out in accordance with PSD's published guidance or the statutory buffer zone must be maintained. The results of the LERAP must be recorded and kept available for three years. – UK only

**Read the label before use. Using this product in a manner that is inconsistent with the label may be an offence.
Follow the code of practice for using plant protection products.**

SAFETY PRECAUTIONS**Operator Protection**

TAKE OFF IMMEDIATELY heavily contaminated clothing.
WASH SPLASHES OF CONCENTRATE from skin and eyes immediately.
When using do not eat drink or smoke.
WASH HANDS before meals and after work.
In case of accident or if you feel unwell seek medical advice immediately (show the label where possible).

Environmental Protection

Do not contaminate water with the product or its container. Do not clean application equipment near surface water. Avoid contamination via drains from farmyards and roads. DO NOT ALLOW DIRECT SPRAY from horizontal boom sprayers to fall within 5 m of the top of the bank of a static or flowing water body, unless a Local Environment Risk Assessment for Pesticides (LERAP) permits a narrower buffer zone, or within 1 m of the top of a ditch which is dry at the time of application. DO NOT ALLOW DIRECT SPRAY from hand-held sprayers to fall within 1 m of the top of the bank of a static or flowing water body.

Aim spray away from water. – UK only.

Storage and Disposal

Keep out of the reach of children.
Keep away from food, drink and animal feeding stuffs.
KEEP IN ORIGINAL CONTAINER, tightly closed, in a safe place.
WASH OUT CONTAINER THOROUGHLY and dispose of safely. CSRME 19/12/07 15:33.
DO NOT RE-USE CONTAINER for any purpose.
PROTECT FROM FROST.
SHAKE THE CONTAINER WELL BEFORE USE.
The (COSHH) Control of Substances Hazardous to Health Regulations may apply to the use of this product at work – UK only
WHO-classification: III (Slightly hazardous).
